

GET ON AND GO

 Save up to 50% with a toll tag

 Pay-by-mail drivers pay 50% more

 Dedicated entrance and exit ramps provide safe access to and from each toll segment

 Current toll rates are displayed before each of the four toll segments

The NTE TEXpress Lanes consist of four tolling segments. Separate charges will appear on your billing statement for each of the segments:

-  **Toll Segment 1** On I-820, from Mark IV Parkway east to the Northeast Loop 820/Airport Freeway interchange
-  **Toll Segment 2** On I-820, from the Northeast Loop 820/Airport Freeway interchange east to Industrial Boulevard (does not include TXDOT's SH-183 TEXpress Lanes)
-  **Toll Segment 3** On I-35W, from I-820 south to I-30 and downtown Fort Worth
-  **Toll Segment 4** On I-35W, from N. Tarrant Parkway south to Northeast Loop 820

Want faster, more predictable drive times?

The NTE TEXpress Lanes offer drivers more choice:

- **Greater capacity**
Drivers can use NTE's tolled
express lanes, improved
free lanes and expanded,
continuous frontage roads.
- **Faster speeds**
Variable pricing on the
NTE TEXpress Lanes is
designed to maintain a
minimum speed of 50 mph
and ideally drive the 75 mph
speed limit during peak traffic.
- **Less stress**
No more gridlock.
NTE TEXpress Lanes relieve
congestion and improve
safety on several of the
busiest highway corridors
in Tarrant County.
